

WELCOME BACK!

Safety is our priority, so we're continuing to recommend the following general best practices:

**Wash or sanitize
your hands often.**

**Avoid touching
your eyes, nose and
mouth.**

**Cover your coughs
and sneezes.**

**Stay home if you
feel sick.**

We'll keep you updated as guidelines change, so you know what to expect. If you have any questions or concerns, talk to your manager or HR.
