

## Taking Advantage of No-Cost Wellness...

**Nan Maley, RN** - Director of Corporate Wellness

*Over 20 years of designing and implementing wellness programs.*

*“...extremely valuable... would be a compliment to any company looking to implement wellness programs and initiatives”*

*“...our annual flu shot clinic has morphed into a true wellness clinic to which **our employees have responded very positively**”*

*“...blood pressure checks, stress and BMI testing, provided handout material and answered employee health questions. **Our employees were very engaged...**”*

“Nan the Nurse” partners with Sullivan Benefits’ clients looking to make Wellness a priority. Her unique background as both a nurse and former HR/employee benefits professional position her as an invaluable resource to help you meet your organization’s wellness goals and initiatives.
